

SOLUTIONS WITH INNOVATION

AN INNOVATIVE SENSING COMPANY

PRODUCT WARRANTY

All Solutions With Innovation (SWI) mechanical level and flow products, chambers and floats are warranted free of defects in materials and workmanship for five full years from the date of original factory shipment. Electronic level and flow products are warranted for a period of eighteen months from the date of shipment. Replacement parts are warranted for a period of one full year from the date of shipment or for the remainder of the warranty period of the original equipment, whichever is longer.

If returned within the warranty period in accordance with the SWI Returned Material Procedure; and, upon factory inspection of the control, the cause of the claim is determined to be covered under the warranty; then SWI at its sole discretion will repair or replace the control at no cost to the purchaser (or owner) other than transportation.

SWI shall not be liable for misapplication, labor claims, direct or consequential damage or expense arising from the installation or use of the equipment. There are no other warranties expressed or implied, except special written warranties covering some SWI products.

The quality assurance system in place at SWI guarantees the highest level of quality throughout the company. SWI is committed to providing full customer satisfaction both in quality products and quality service.

The SWI quality assurance system is registered to ISO 9001 affirming its commitment to known international quality standards providing the strongest assurance of product/service quality available.

Complete details on the SWI warranty as well as our standard terms and conditions are available on our website solutionswithinnovation.com.
